Report on the Financial Statements

Opinion

We have audited the accompanying financial statements of **SHB Social Foundation**, which comprises the Balance Sheet as at March 31, 2026, the Statement of Income and Expenditure, and statement of cash flows for the year the ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, and Surplus, for the year ended on that date

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibility of Management and Those charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the

Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Notes forming part of Financial Statements for year ended 31st March 2026

1 Corporate Information

SHB Social Foundation ('SHB') was incorporated in September 2014 and works to improve mental health and wellness in the community. SHB's aim is to building sustainable communities through compassion and selfcare. Our programs build self-sustaining communities through Listening, Compassion, and Inclusivity.

Our objectives include: 1. Promote community and individual well-being through listening, reflecting, and finding your own solutions. 2. Create a safe space for conversations that nurtures compassion and self-care and helps develop competencies to manage social change. 3. Nurture and enable confidence among the vulnerable and marginalized to empower them to overcome the challenges. We offer programmes which value diversity, offer equal opportunities and create an inclusive mindset and strive to build a community that does not discriminate. We are a Volunteer's Collective that believes in do-able action for social change through conversations.

2 Basis of preparation of Financial Statements

i. The financial statements have been prepared to comply in all material respects with applicable accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Companies Act 2013, read with Rule 7 of the Companies (Accounts) Rules.

ii The Company follows mercantile system of accounting and recognizes income and expenditure on an accrual basis except those with significant uncertainties.

iii Use of estimates: The preparation of financial statements in conformity with generally accepted accounting principles in India requires the management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosures of contingent liabilities as of the date of financial statements and the reported amounts of revenue and expenses during the reporting period. Management believes that the estimates made in the preparation of the financial statements are prudent and reasonable. Actual results could differ from those estimates. Any revision to accounting estimates is recognized prospectively in current and future period.

iv Current- non-current classification

All assets and liabilities are classified into current and non current.

Assets: An asset is classified as current when it satisfies any of the following criteria:

- (a) It is expected to be realized in, or is intended for sale or consumption in, the company's normal operating Cycle.
- (b) It is held primarily for the purpose of being traded;
- (c) It is expected to be realised within 12 months after the reporting date; or
- (d) It is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least 12 months after the reporting date
- (e) All other assets are classified as non-current.

- (e) All other liabilities are classified as non-current.

v Figures have been rounded off to the nearest of thousand rupee.

vi. The previous year's figures have been regrouped or rearranged wherever necessary to make them comparable with the current year's figures

3 Significant Accounting Policies followed by the Company

a) Revenue recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. In addition, the following criteria must also be met before revenue is recognised:

- i) Voluntary Contribution: Contribution received other than for corpus donation are recognised as income in the year of receipt.
- ii) Interest income on Savings Bank accounts are accounted on accrual basis.

b) Property, Plant & Equipment

All Property, Plant & Equipment are stated at historical cost less depreciation.

c) Depreciation

- i) The Company has followed Straight Line method for providing the depreciation.
- ii) The depreciation for the year has been provided in accordance with the rates and the manner specified in Schedule II of the Companies Act, 2013.

d) Provision for Taxation

Provision for taxation is made on the basis of taxable profits computed for the current accounting period in accordance with the provisions of The Income Tax Act, 1961. Since there is no taxable profit during the year therefore no provision is made for this year.

Provision can be made for Deferred Tax Liabilities / Assets arising due to timing differences between profits computed as per Income Tax Act and book profit as the financial statements. Deferred tax liability resulting from timing differences can be recognized in books if it is expected to crystallize with reasonable certainty whereas in case of Deferred tax asset the same can be recognized where there is a virtual certainty that there would be adequate future taxable income against which such deferred tax assets can be realized. Since the main objective of the Company is that of a charitable organization, there is no virtual certainty of adequate future taxable income therefore provision with respect to Deferred Tax Assets have not been provided.

(i)	Net profit ratio	-	-	-	Refer Note (v)
(j)	Return on capital employed	35.27%	-280.82%	112.56%	Refer Note (iv)

Accounting Ratios formulas :

- (a) Current Ratio = Current Assets / Current liabilities
(b) Debt-Equity Ratio = Total Debt / Total equity
(c) Debt Service Coverage Ratio = Earnings available for debt service / Debt service
(d) Return on Equity Ratio = Profit for the year / Average equity
(e) Inventory Turnover Ratio = Cost of Goods Sold / Average Inventory
(f) Trade receivables turnover ratio = Revenue from operations (including taxes)/ Trade receivables
(g) Trade payables turnover ratio = Annual Credit Purchases / Trade payables
(h) Net profit ratio = Profit for the year / Revenue from operations(net of taxes)
(i) Return on Capital employed = EBIT / Capital employed (Debt + Equity + Deferred Tax Liability)
(k) Return on investment = Profit for the year / Total Investment

Accounting Ratios explanation Notes :

(i)	The Current Ratio improved from 0.33 to 0.71, primarily due to an increase in current assets and/or reduction in current liabilities during the year. The improvement is also attributable to the Foundation's improved financial performance during the year, resulting in a stronger working capital position. Although the ratio remains below 1, it reflects a significant improvement in the Foundation's short-term liquidity position.
(ii)	The Debt-Equity Ratio changed from (0.96) to 0.33, mainly due to improvement in the Foundation's net worth arising from the surplus generated during the year and/or reduction in borrowings. The previous year's negative ratio was on account of negative corpus/net funds; accordingly, the percentage change is not directly comparable.
(iii)	The ratio has not been computed as the Foundation has not incurred any finance costs during the year. Further, all outstanding loans are interest-free and have been received from the Director; accordingly, the Debt Service Coverage Ratio is not applicable.
(iv)	The Foundation, being a Section 8 entity, operates with a social objective rather than a profit motive. Its primary source of income comprises voluntary donations received from the general public, which are inherently variable in nature and may fluctuate significantly from year to year. Consequently, the ratio has witnessed a substantial variation as compared to the previous year.
(v)	Since the company does not generate revenue from operations, the ratio related to turnover has not been calculated.
